Good morning,

Thank you for your email. For avoidance of confusion, our client does not consent to a stay, as we do not identify an authority supporting the proposition that a stay would be mandated. If you have such authorities we would be happy to consider them, but in the meantime our client does not consent.

Best,
Zach Eyster

Dear Attorneys,

This law firm represent Mr. Yan Goldshteyn in this matter.

It has been brought to my attention that you have filled on behave of your client for a declaratory judgment in Georgia Federal Court. My client is intending on filling a request to stay proceedings until the USPTO issues an opinion on your USPTO trademark application.

Please confirm receipt of this email.

Looking forward to your response,

Respectfully,
